

Notice from Electoral Officer of Chipewyan Prairie First Nation Election, 2022:

I understand that there has been misinformation circulating about the hours of the polling stations. I am concerned that some members may have relied on this so I have decided to exercise my discretion as electoral officer to extend the hours of all polling stations until **8:00pm**.

I look forward to seeing you at the polls.

A handwritten signature in blue ink that reads "Pauline Gauthier". The signature is written in a cursive style and is positioned above a horizontal line.

Pauline Gauthier, Electoral Officer
